

## BATTERY RECYCLING

**Please support recycling by dropping off your battery at a location near you**

Proper battery recycling helps preserve valuable materials and ensures the safety of everyone involved. You can drop off your battery at a nearby recycling center or Hilti Store.

### **Bring your battery to a nearby Recycling Center**

You can find a list of locations [here](#)

### **Drop off your battery at a Hilti Store**

Our Hilti Stores are happy to properly recycle your battery for you. Find the closest one [here](#)
